Thank you to all our wonderful parents and children for supporting us with Children in Need. Together we raised a total of £117.72.

The University of Liverpool have expanded their Choir to become the Staff and Community Choir, and would like to extend an invitation to all our staff and parents to join them if they are interested. They sing a range of music from pop to musicals and there is a mixture of singers some who read music, and some who don't read it at all, so no experience is needed. They are a very friendly bunch and everyone is welcome. They meet in the Tung Auditorium every Wednesday, 5.15-6.45pm. Please email on
